

Dear Friends,

THANK YOU to each one of you for your continued support of our course and court! We appreciate your continued patience with weather related postponements and rescheduling of events. We thank and recognize Billy, Gordon, Gabe and Dave LaLonde for their hours and efforts to keep the course playable. The fall maintenance included core aeration, pulled plugs, and top dressing the greens. This followed fertilization and fungicide treatments every 2-3 weeks all season.

The Club Championship Tournament featured the largest field of players since new management. Congratulations to repeat winners: Men's Open: Mick Hadfield and Women's Open: Chris Company . Runners up were Ken Cupp and Jaycee Welsh in those divisions. Senior Male and Female Winners: Mike Baker and Sue Hoffman. Runners up were: Terry Weller and Sue Nuber. Mick and Chris each won a 2019 membership. Flights were seeded and all participants receive discounts on membership for the following season. Save the date: Saturday August 3, 2019 and join in the fun. Tournament play adds a level of competition and fun. Look for the Member/Guest on July 13th, the Ryder Cup format on September 21st , and Seal the Season Scramble on October 13th in 2019. Interested in hosting a fundraiser, reunion, or special group golf outing? We will work with you as we have many weekend and weekdays Open. (The Bob Hunter Memorial Tournament will be held at the CCC on Sunday July 28th) Contact me at georgekittle45@gmail.com or call the Clubhouse during season hours. The Thursday night scrambles are open to any player ready to test the field with a blind pick partner for 9 holes at 5:00 pm. The revised payout structure brought new energy to this tradition. Couples play in a 4 person scramble on Friday nights at 5:30. Call the Clubhouse on the day of for details or show up 15 minutes in advance.
