

Dear CCC Members and Friends:

The Spring Season will be here before we know it! Last season provided all of us the opportunity to adjust and adapt to everchanging rules and regulations in response to the Pandemic and its widespread effects. In our golfing world at the Clayton Country Club, we experienced improved sanitation measures, expansion of our Clubhouse services outside and increased play in general. We are grateful that the weather was favorable most days and NYS allowed golf play. Thank you for your patience, wearing your masks inside, and supporting our beverage service under those restrictions. Both the outdoor and indoor staff members dedicated extra time and effort during the 2020 Season. We were Truly Stronger Together!

All golfing and pickleball events were regulated with Tee Times and Court Reservations. This is likely to continue. We were able to accommodate "Walk Ins" to our best ability, however signing up in advance will continue to take priority. Here are a few highlights of 2020 events that were kept within the NYS required maximum numbers and we plan to continue in 2021:

May – September: THANK YOU LEAGUES – Men's Twilight League, Clayton Ladies League, and the Alex Bay Ladies Golf League. We highly value your commitment to playing at the CCC. Regular PICKLEBALL pairings were reserved

July: Member/Guest – 3 Divisions of 2 Person Teams - The Bob Hunter Memorial returns in 2021!

August: Club Championship - where the Grand Prize still is a membership for the following year. Congratulations to Kelly Hale and Mick Hadfield for defending their 2019 Titles. New faces won the Senior Division with a discounted 2021 Membership: Mary Bates and Steve Nuber. Everyone who participates wins a discount towards a Membership the following year.

September: Twilight League Big 8; 27 hole September Cup

October: End of Season Celebration

We look forward to opening late April or Early May and seeing YOU!

Please send checks made out to:

Clayton Country Club

P.O. Box 404

Clayton, New York 13624

Members renewing prior to April 15, 2021 will enjoy a \$15 Clubhouse Credit/adult age 22 or older!

Sincerely,

The CCC Team
