

April 16, 2024

Welcome members and Friends to the 2024 Clayton Country Club Season. We are pleased to announce the construction of a new deck at the clubhouse. The 90+ years took their toll on supporting piers and framing.

Old decking and structural supports were completely removed and new ones put in their place. This will help greatly with the increased use out on the deck for events, making for a much safer and aesthetically pleasing look.

Newly constructed beams have also been replaced to help the structural integrity of the roof and hopefully allow the clubhouse to remain standing another 90+ years.

Golf season is upon us. We are looking for to seeing YOU playing on the course, practicing pickleball, and enjoying a beverage in the renovated veranda or inside the Clubhouse. All Golf and Pickleball play will continue to be regulated by tee times and court reservations. We will do our best to accommodate "Walk Ins", however, reservations take priority. We welcome back our capable staff of: Billy Youngs, Gordon Winters, Sue Hoffman, Kathy Rosbrook, Dave Males, Patsy Ely, Shyloh Jacobs and Tammy Thomson.

Here are upcoming events for 2024, along with highlights from 2023.

Thank you to our returning leagues.

May through September:

Men's Twilight League: 1 Monday/month and every Wednesday night

Clayton Ladies League: every Tuesday night

NEW:

Co-Ed League: Friday nights

We welcome a regular casual men's group on Thursday mornings and a regular casual women's group on Friday mornings as well.
