

Dear Friends,

Spring 2020 is right around the corner. Thank you for your support and patience while weathering through the 2019 season. The season literally went from flooding conditions, to drought conditions to autumn.

Clayton Country Club golf members, Men's and Women's league members and the returning golf customers can look forward to improving course conditions and a commitment to progress in 2020. All pricing, including beverages, snacks and golf and racket sport memberships, greens fees, and cart rentals will remain the same as 2019 rates. We look forward to gaining the confidence of returning and new customers!

Our popular tournament schedule will include: Member/Guest (July), Flighted Club Championship (August) – where every participant wins something, and the Ryder Cup style September Cup (September) where our USA Team takes on Team Canada, Thursday Night Open 2-Person Scrambles and Friday night couples competition will fill out the week nights along with Monday, Tuesday and Wednesday golf leagues. Calling the clubhouse at 315-686-4242 prior to any of these events gives you up to date conditions and information.

In addition, we would appreciate your feedback on implementing the following specific events:

1. Male or female weekly "come when you are able", casual golf league play on Sunday afternoons at 2:00 pm and/or Thursday mornings at 10:00 am. Clayton Country Club will offer drink specials, random drawings, reduced rate, etc...
2. Once every few weeks: member specials (bring a friend ½ price golf, drink specials, reduced cart rates, member tournament play)
3. Members only events like a complimentary BBQ or luncheon spread at least once throughout the season
4. Our Pickleball friends can experience a free "bring a friend day" as well. Regular play on Monday and Friday mornings was successful in 2019 – let's keep that going!

League players have experienced the same rates for the past decade! Thank you for your continued participation. The Tuesday Ladies will experiment with a 5:15 shotgun start. Complimentary snacks and a light spread will pair well with your beverage of choice after golf.

The 2019 Club Championship Crown was won once again by Mick (Gary) Hadfield for the men. Kelly Hale is the new Queen of the Course. Mike Baker and Sue Hoffman repeated as Senior Champions. The USA Team edged out Team Canada in the September Cup with our actual Canadian favorites of Bernie, Bob and George sporting the Red and White Maple Leaf with skill and pride.

We look forward to receiving your Golf and Pickleball membership renewals. (Remember a golf membership includes Pickleball!) Please give us feedback on which additional golf specials you and your family would like to participate in.

Sincerely,

The CCC Team
